

Institute of Organic Chemistry Polish Academy of Sciences

Institute of Organic Chemistry PAS has an opening for a **post-doc** to work in project “Bioinspired catalysis for sustainable light-induced processes” funded by Foundation for Polish Science within TEAM framework, supervised by prof. Dorota Gryko (ww2.icho.edu.pl/Gryko_Group/).

Successful applicant:

- have a PhD degree in synthetic organic chemistry or related;
- have experience in developing new catalytic reactions;
- is fluent in English;
- knowledge of porphyrinoid chemistry will be an asset.

We offer:

- work in an intellectually stimulating environment;
- 1 year contract with the Institute of Organic Chemistry PAS with possible extension;
- competitive gross salary of 9900 PLN;
- flexible working hours.

To apply:

- send your inquiry to rekrutacja@icho.edu.pl including:
 - CV;
 - list of publications;
 - conferences attended;
 - short cover letter;
 - two recommendation letters;
 - scan of PhD diploma;
- top candidates will be invited for an interview (in person or via teleconference).

The position is based in Warsaw, Poland.

Applications will be accepted until **10th July 2018**.
