

Institute of Organic Chemistry Polish Academy of Sciences

Institute of Organic Chemistry PAS has an opening for a **lab manager** to work in project “Bioinspired catalysis for sustainable light-induced processes” funded by Foundation for Polish Science within TEAM framework, supervised by prof. Dorota Gryko (ww2.icho.edu.pl/Gryko_Group/).

Successful applicant should:

- have a PhD degree in chemistry (preferably in synthetic organic chemistry or related area);
- be fluent in English;
- have outstanding organizational skills;
- have experience as PostDoc (supervising students);
- possess knowledge of porphyrinoid chemistry.

We offer:

- 12 month contract with extension option with the Institute of Organic Chemistry PAS;
- competitive gross salary of 8300 PLN;
- private healthcare;
- flexible working hours.

To apply:

- send your inquiry to rekrutacja@icho.edu.pl including:
 - CV;
 - list of publications;
 - short cover letter;
 - two recommendation letters;
 - scan of PhD diploma;
- top candidates will be invited for an interview (in person or via teleconference).

The position is based in Warsaw, Poland.

Applications will be accepted until **25th May 2018**.

Please include in your offer:

“I hereby give consent for my personal data included in my application to be processed for the purposes of the recruitment process under the Personal Data Protection Act as of 29 August 1997, consolidated text: Journal of Laws 2016, item 922 as amended.”
